Moreover, the owner of an animal is requested not to leave the animal without his/her or the assigned caregiver's supervision.
- 6.** Due to health regulations pets are not allowed in the food and beverage areas of the facility. This includes the restaurant, lobby and pub.

- 8.** Guests are obliged to remove their animal's faeces left inside or outside the Hostel.
- 9.** Guests will be held responsible for any damage incurred to the room by their pets. If a pet left in a room stains the bedding, the owner will be charged extra for the laundry service. If a pet causes permanent damage to the bedding or any Hostel's equipment, the owner will cover all the costs.
- 10.** Pet owners have the responsibility to make sure their animal does not disturb other hostel's guests. In case of frequent complaints of guests or personnel the Hostel reserves the right to request to remove the animal. When contact is not possible, the hostel reserves the right to enter the room with the possible assistance of appropriate services in order to remove the animal from the facility. All costs resulting from these events will be covered by the animal's owner .
